

Mission

We are an employee-owned company with a social mission:

- 20% of our profits go to programs that provide **food, housing, AI training, and career opportunities** for vulnerable people in **poverty-stricken** countries.
- We **help** individuals transition out of poverty into **sustainable, dignified careers**.
- Our **vision** is to make AI available to all businesses while also using it as a force for good.

AI is no longer a question of if, but when. Our products let you start rapidly, safely, and affordably — unlocking the same value big corporations enjoy, at a price point built for every business.

ROI Impact

Typical clients see a **3x–5x ROI** in the first year.

The **cost** of each **Room** is typically **one-third** of a fully loaded **full-time employee**.

Each AI Agent performs the **work** of **3–5 employees** for routine and knowledge tasks.

Many clients see even greater savings, but these represent typical averages.

With **BEACON**, I can find the right precedent in seconds instead of hours. Our clients see the difference in faster responses and stronger preparation. It's a game changer for how we practice law. ”
