

Mission

We are an employee-owned company with a social mission:

- 20% of our profits go to programs that provide **food, housing, AI training, and career opportunities** for vulnerable people in **poverty-stricken** countries.
- We **help** individuals transition out of poverty into **sustainable, dignified careers**.
- Our **vision** is to make AI available to all businesses while also using it as a force for good.

AI is no longer a question of if, but when. Our products let you start rapidly, safely, and affordably — unlocking the same value big corporations enjoy, at a price point built for every business.

Overview

Core is your IT AI Agent for proactive support, ticket automation, and improved system reliability and security.

- ✓ Discount pricing available for bundles of 3+ Rooms. Please ask for details.

Deployment

Setup: Cloud or on-prem.

Timeline: Initial functionality within **14 days** of infrastructure access.

Integration: Seamless connection with other Rooms and your existing systems.

ROI Impact

Typical clients see a **3x–5x ROI** in the first year.

The **cost** of each **Room** is typically **one-third** of a fully loaded **full-time employee**.

Each AI Agent performs the **work** of **3–5 employees** for routine and knowledge tasks.

Many clients see even greater savings, but these represent typical averages.

“CORE gave our IT team breathing room. For the first time, we’re able to innovate instead of just reacting to problems. System uptime is higher, tickets are resolved faster, and employees trust IT again.”
