

Mission

We are an employee-owned company with a social mission:

- 20% of our profits go to programs that provide **food, housing, AI training, and career opportunities** for vulnerable people in **poverty-stricken** countries.
- We **help** individuals transition out of poverty into **sustainable, dignified careers**.
- Our **vision** is to make AI available to all businesses while also using it as a force for good.

AI is no longer a question of if, but when. Our products let you start rapidly, safely, and affordably — unlocking the same value big corporations enjoy, at a price point built for every business.

Overview

Help boosts customer satisfaction by automating support, routing, and knowledge lookup to resolve cases faster.

Key Capabilities

- ▶ AI-powered customer support chatbot and ticket triage
- ▶ Automate case routing and escalation
- ▶ Knowledge base search for agents and customers
- ▶ Real-time sentiment and CSAT monitoring
- ▶ Reduce resolution time and improve first-call success

- ✓ Software license + managed services, continuous monthly enhancements, and 20 hours of AI consulting each month
- ✓ Discount pricing available for bundles of 3+ Rooms. Please ask for details.

Deployment

Setup: Cloud or on-prem.

Timeline: Initial functionality within **14 days** of infrastructure access.

Integration: Seamless connection with other Rooms and your existing systems.

ROI Impact

Typical clients see a **3x–5x ROI** in the first year.

The **cost** of each **Room** is typically **one-third** of a fully loaded **full-time employee**.

Each AI Agent performs the **work** of **3–5 employees** for routine and knowledge tasks.

Many clients see even greater savings, but these represent typical averages.

“HELP allowed us to scale without doubling staff. Our customers noticed the difference immediately, and our team finally had breathing room. We improved service quality and reduced churn risk while keeping costs flat.”
