

Mission

We are an employee-owned company with a social mission:

- 20% of our profits go to programs that provide **food, housing, AI training, and career opportunities** for vulnerable people in **poverty-stricken** countries.
- We **help** individuals transition out of poverty into **sustainable, dignified careers**.
- Our **vision** is to make AI available to all businesses while also using it as a force for good.

AI is no longer a question of if, but when. Our products let you start rapidly, safely, and affordably — unlocking the same value big corporations enjoy, at a price point built for every business.

Overview

Deployment

Setup: Cloud or on-prem.

Timeline: Initial functionality within **14 days** of infrastructure access.

Integration: Seamless connection with other Rooms and your existing systems.

ROI Impact

Typical clients see a **3x–5x ROI** in the first year.

The **cost** of each **Room** is typically **one-third** of a fully loaded **full-time employee**.

Each AI Agent performs the **work** of **3–5 employees** for routine and knowledge tasks.

Many clients see even greater savings, but these represent typical averages.

“Closing used to take weeks and left us exhausted. Now it takes days, and the numbers are reliable. KEYSTONE gave us confidence in our reporting and freed time to focus on strategy instead of scrambling.”
