

Mission

We are an employee-owned company with a social mission:

- 20% of our profits go to programs that provide **food, housing, AI training, and career opportunities** for vulnerable people in **poverty-stricken** countries.
- We **help** individuals transition out of poverty into **sustainable, dignified careers**.
- Our **vision** is to make AI available to all businesses while also using it as a force for good.

AI is no longer a question of if, but when. Our products let you start rapidly, safely, and affordably — unlocking the same value big corporations enjoy, at a price point built for every business.

Overview

Matrix is the executive layer of Room. It connects to every functional AI Room and provides leaders with instant, cross-functional answers to business questions and board-ready insights.

Key Capabilities

- Ask cross-room questions across Finance, Sales, HR, IT, Marketing, Ops, and more
- Generate real-time executive dashboards and board-ready reports
- Forecast risks and opportunities using predictive insights
- Drill down from high-level KPIs into function-level details
- Provide a single pane of glass for the entire business

Pricing

- ✓ \$2,499/month – Limited Time Pricing*
- ✓ Software license + managed services, continuous monthly enhancements, and 20 hours of AI consulting each month
- ✓ Discount pricing available for bundles of 3+ Rooms. Please ask for details.

Deployment

Setup: Cloud or on-prem.

Timeline: Initial functionality within **14 days** of infrastructure access.

Integration: Seamless connection with other Rooms and your existing systems.

ROI Impact

Typical clients see a **3x–5x ROI** in the first year.

The **cost** of each **Room** is typically **one-third** of a fully loaded **full-time employee**.

Each AI Agent performs the **work** of **3–5 employees** for routine and knowledge tasks.

Many clients see even greater savings, but these represent typical averages.

“**MATRIX** gave me back my time. Instead of chasing reports, I spend my energy leading the business. Now, when I ask about sales or cash flow, I get an answer instantly. It’s like having a chief of staff powered by AI.”
